Station Guidelines and Rules

PRIMARY STATION PLACEMENT RULES:

Lime Scooter Stations should:

- Not be adjacent to or near parks
- Not be placed on Tejon st if possible but perpendicular roads
- Be 6' PAR required on Tejon st
- Be 1.5' away curb in most situations
- Be 3' away from curb in parking spot situations
- Be 1' away from sidewalk
- Be 20' from any bus stop
- Be 3' away from fire hydrants

Additional Gov Best Practices:

The Office of Accessibility is not comfortable with stations located in or adjacent to pedestrian walkways or close to curb ramps and intersections
